The CSP Bulletin – January 2018 Edition

Making sport and physical activity a part of everyday life!

Continuing strong support from our Stakeholders

The views of our stakeholders continue to offer strong support for the work of Cornwall Sports Partnership. We thought the results were particularly pleasing given the changing nature of our role, moving our focus to **working with inactive audiences** and less about supporting those who are already active.

Measuring the Economic Value of Sport

This report measures the **Economic value of Sport** for Cornwall and the Isles of Scilly, and the **economic impact** of increasing the number of people participating in physical activity by **50,000**.

The results of the economic modelling highlight the significant contribution that sport makes to the Cornwall and Isles of Scilly economy.

Our Cornish Clubs Said...

In 2017 we sent out a **Cornwall Club Survey** to help us understand who they are and how we can assist them in the future.

We heard from **185** clubs from **31** different sports in Cornwall ranging from the more traditional to Pentaque, Nordic Walking, Surfing and Surf Life Saving.

Being Active = Better Mental Wellbeing

New **Active Lives Data** shows people who are regularly active enjoy better mental wellbeing

Sport England's latest research reveals that active people are happier and more satisfied with their lives and are less likely to experience anxiety.

Athlete Talent Celebrated in Cornwall

This month, nearly **100** talented athletes and VIPs gathered to celebrate their success and the launch of the **GLL Sports Foundation Programme**.

New to Cornwall, this develops the partnership between

Cornwall Sports Partnership, Cornwall Council and GLL in recognising talent and creating sporting ambassadors within the local community.
