

Mawnan NDP Skills Form

Name:

Background & Specific Skills:

Please include anything that might be relevant – professional background, previous jobs or volunteer positions, organisational skills, fact checking & proofreading background; data analysis & collation aptitude; people skills, a willingness to door knock & canvas public support we'll probably need a bit of everything.

Please turn over

What role I would like to take in the Mawnan NDP process (*please indicate clearly*):

Steering Group – leading & forming the whole process

Working group – set off on specific smaller sections of the plan which could include reading through current Cornwall Council policy documents, drafting surveys & collecting data, talking to local businesses / services about their needs

Publicity & distribution – making sure the whole parish community is involved. May include handing out flyers at other parish events, door to door deliveries of information packs, attending NDP open events, letter writing, photographing the parish for use in our plan, contacting the media

Admin – powerhouse of all plans! Could include managing a website, desktop designing our documents, typing up surveys, recording minutes at steering/working groups, collating results, keeping a meeting calendar & arranging venues

Providing Professional Services – planners, architects, designers, photographers, data analysts, surveyors, builders, educators, public speakers, local business owners ... all needed to help us produce a comprehensive plan

Other – please don't feel tied to anything we have listed above – write away.

Please return this form either direct to the parish clerk at the offices behind MS Electrical or post into the red box in the bus shelter @ Parc an Manns.

Thank you for your support.
