

8th October 2020

Dear Councillor,

You are summoned to attend a meeting of Mawnan Parish Council on Thursday, 15th October 2020

Please find attached the agenda for our online meeting. We ask that if any member of the public has issues they would like to raise that they contact the clerk prior to the meeting so that we can best manage them- ideally if you could make contact by noon on Monday 12th so we have time to distribute out to all interested parties. Please remember that the time allotted for *Matters of Community Concern* is not a forum to discuss what has taken place during this meeting and that any matter raised here would likely be added to the NEXT meeting agenda for discussion.

Yours faithfully,

Lisa Clements, Clerk to the Council

Item 10 – Remembrance Day.

What kind of service can we have given COVID-19 restrictions? Can we hold anything at the Memorial Hall, or just an outside event at the Millennium Cross with Wreath Laying?

Regular programme attached.

Item 11 – Parish upgrades

Although these have gone on the website and noticeboard I haven't heard from anyone as yet. Do we want to maybe consider undertaking some of the works that would be done anyway (toilet lights, flooring, benches, water fountain ...)?

Item 12 – Climate Change group

With Jon resigning as lead we need someone to act as the community focal point for this group, although the current works may be limited due to physical meeting restrictions. May include some info from Cllr Whibley who attended the CNP group meeting on Weds 8th

3239.20 CORRESPONDENCES (LIMITED LIST)

Item 12 – The clerk read out Cllr Bastin’s email. Cllr Sadler stated that historically some on the areas above The Greebe had been filled in to stop parking. He felt that we were excluding the elderly and less mobile by attempting to stop all vehicle access down to Durgan – could we not have 3 disabled parking spaces put in to assist this? He also said that since this road has historically had double yellows that County could not say it was not theirs to administer now. Cllr Whibley was worried that by saying we wanted parking spaces created we were giving out mixed messages, when ideally we wanted to limit to residents only past the carpark entrance. Cllr Moyle said that it was not the parking but the signage that were not up to par and that this needed to be correct to deter anyone parking further down. It was agreed to try to progress the group meeting over winter.

3240.20 TO RECEIVE ANY INFORMATION ON NOTED TRAFFIC & FOOTPATH ISSUES

Cllr Whibley said that she had had a meeting with several groups (10) about Carlidnack (Meudon) Woods. They even managed to get the 1994 planting scheme and original ownership maps. All issues related to the management of the woodland were discussed – from signs rotting to poor underfoot sections, the ford and general tree maintenances. It was agreed to keep the project team going, hopefully augmented by a Volunteer Working project that would see this area managed in a similar way to Falmouth’s Parkland team. They were confident about getting the initial list of items done and looked forward to engaging a future strategy for the woodland.

Cllr Toland said that she had been made aware that on Bream Cove to Maenporth section of cliff path someone had taken it upon themselves to create a new path. It was agreed to pass this onto P Hodgson (re ranger) to investigate it.

The repairs to Meudon Steps were to be chased up as they were still pending. There was still the option of community chest/ parish contributions available if it would speed works along here.

Cllr Bradley reported that there had been little no movement on Speedwatch during the covid period but that he was in contact with area organisers should we be able to start moving forward in any way. Signs showing the vehicle registration (as noted at Rosudgeon) as well as speed had their info sourced from their clerk. They were done as part of the work of their CNP and were thought to be an expensive style of sign so they were being asked to investigate if we would ask for similar.

3241.20 SUGGESTIONS FOR PARISH FACILITES UPGRADING WORKS – public toilets, drinking water fountain, cycles storage, replace/refurbish benches, phone box

The clerk read out a list of smaller jobs that the Small Business grants could be used to fund that had been mentioned or discussed at previous Parish Council meetings. These included:

- remedial upgrades & refurbishments to the public toilets. Including upgrading the remaining lighting to LEDs, fully replacing all the flooring with specialist material (lino being preferred as it is more environmentally friendly) and installing a water bottle filling station/ fountain outside the ladies side of the toilet block as part of our carbon reduction commitment.
- replacement of the benches under the chestnut tree opposite the shop
- provision of cycle racks in popular spots which could be funded jointly with landowners permission

- refurbishment the phone box – get it removed for sandblasting & painting in Longdowns after the removal of the windows, then to make use of as a tourist info site

After discussion it was agreed to publicise this list on the noticeboard/ website to see if the public had any comments or suggestions for other projects and to bring back in October.

3242.20 REPORTS FROM OTHER GROUPS / INDIVIDUALS

The clerk explained that the NDP had begun its public consultation with letters going out to all homes in the parish, along with businesses trading in the parish. Letters specific to the Open Spaces and Non Designated Heritage assets had also been sent out to about 170 individuals for comment.

Cllr Bradley noted the summary he had produced for the last CNP meeting and that minutes were likely to follow shortly.

3243.20 REPORT FROM CORNWALL COUNCIL WARD MEMBER

Cllr Bastin had offered his apologies as the Constantine online meeting was taking place at the same time now. His email had already been read under correspondence.

Dear Jackie,

Yes we have instructed a sub-contractor to carry out works to repair and replace various timber steps in those 2 areas you mention. The concrete steps will be taken away and replaced with a timber step ladder style set of steps.

We have been waiting for a long time for this work to take place and I'm very pleased it is happening now.

Subject: Meudon Steps, Mawnan SWCP

Hi Penny,

I see that there are 2 flights of steps now, newly laid, at Meudon. So pleased to see these. And a new flight further towards Maenporth on that downhill/uphill corner. Good to see. Have Cormac or National Trust achieved these works, do you know? Thank you if it was yourselves. It will get the public off our backs!

Just a question still about the concrete flight of steps at Meudon: these still have been cleaned up nicely, but still have a quite a big step down to the ground at the bottom. Is it planned to do something about that, and I seem to recall mention of a double handrail being fitted. Is that planned?

Kind regards,
Jackie Whibley

Hi Lisa

I would be very happy to take part in the sort of service you suggest, though even at the Cross we would have to be careful about distancing. I am not sure whether the school will be able to take part this year, and we may not be permitted a live trumpet player, but as you say the majority of the service should be fine. Thank you for inviting me to the Zoom meeting. Unfortunately I am away next week. I hope it goes well and look forward to hearing from you in due course.

Hi Rev Johanna

We understand that this year we probably won't see a service in the Memorial Hall, given COVID restrictions, but we would still like to do something to recognise the day.

Any ideas? So far there is a movement towards an open air service at the Millennium Cross in a truncated form. We would have part of the regular programme just not all.

We as a parish council are going to discuss this next Thursday at the PC meeting (on Zoom) if you want to join in. I can send access details for Zoom when I get to finalising the agenda....
