

9<sup>th</sup> June 2022

**MINUTES OF THE ANNUAL PARISH COUNCIL MEETING HELD ON THURSDAY 16<sup>th</sup> JUNE 2022 AT 7.30PM, IN THE MAWNAN MEMORIAL HALL**

**Present:** Cllrs Sadler, (Chair), Bate, Morris, Moyle & Potter

**ALSO PRESENT:** Mrs L Clements, Clerk + 24 members of the public

3606.22 **TO RECEIVE APOLOGIES:** Cllrs Brooksbank & Whibley

3607.22 **MEMBERS TO DECLARE ANY INTERESTS IN ITEMS ON THE AGENDA OR REQUEST DISPENSATIONS** -- none noted

3608.22 **PUBLIC COMMENTS ON ITEMS ON THE AGENDA ONLY** – none noted

3609.22 **TO RECEIVE AND APPROVE THE MINUTES OF THE 19<sup>th</sup> MAY 2022 FULL COUNCIL MEETING** and to accept the draft minutes of the Annual Parish Meeting  
It was proposed by Cllr Bate seconded by Cllr Sadler and  
**RESOLVED** that the minutes of the Parish Council meeting held on 19th May be approved and signed by the Chair. The accuracy of the minutes from the Annual Parish meeting were also accepted

on a vote being taken the matter was approved unanimously

3610.22 **ANY MATTERS ARISING FROM PAST MINUTES NOT ON THE CURRENT AGENDA** (inc. parish noticeboard/ fingerpost painting, Durgan parking/xroads, Hotel Meudon application, removal of phone box),

- Cllr Moyle was not in attendance at this point, so any further information about his discussion on the required works to the noticeboard & volunteers to repaint the fingerpost were deferred to July.
- The clerk verified that after communication with BT that when the telegraph pole behind the phonebox is replaced it will not remove the phonebox, as it is not theirs.
- The clerk has received updates from the Hotel Meudon about their ongoing planning application and has agreed with them to publish these IN FULL to get this information into the wider community. They will be posted on the Parish website and included with this month's minutes.
- Cllr Sadler said he had spoken to TL about the store of rock salt and that this was now up to us to remove. The clerk was requested to find a suitable contractor to remove this and dispose of it.

3611.22 **TO RECEIVE NOTIFICATION ON THE OUTCOME OF THE NDP REFERENDUM VOTE & ANY UPCOMING FURTHER ACTIONS NECESSARY**  
Cllr Morris reports that 470 parishioners voted - 34.1% of the electorate. Cornwall Council describe this as 'good turnout'. 93.14% voted in favour of Mawnan's Neighbourhood Plan. Cornwall Council will now go through a formal legal process to "Make" the Plan, publish it on their website and incorporate it into the planning structure. This process typically takes about 4 weeks, so should be completed by the end of June.

3612.22 **JUBILEE CELEBRATIONS – FOLLOW-UP SUMMARY FROM EVENTS & SPENDING OVERVIEW**

The clerk read out a report from Mrs Toland (organiser) on the week's events. Overall it was agreed that the week of events were very popular with the parish community and well attended in almost all cases – even with the poor weather on Saturday.

The clerk explained that the figures given out as the final spend were 99% accurate – the bill for waste removal was still pending but the £350 was likely to be the top end of the spend for this – so the £5327 stated was the top end figure.

Cllr Bate asked why a generator needed to be hired and who gave authority for it? The clerk explained that this was at the request of CT, who had been talking to Saturday night's entertainment, Shameless, after they were unable to get a response from their enquiries. They usually needed a generator and not standard household electrics to power their sound system. No-one was aware that extra external power sockets had been installed by the MCA.

It was proposed by Cllr Sadler seconded by Cllr Morris and

**RESOLVED** that the Parish Council would support the overspend of £327.40 from general reserves

on a vote being taken the matter was approved with 1 objection

3613.22 **TO CONSIDER PLANNING APPLICATIONS RECEIVED FROM CORNWALL COUNCIL BY DATE OF THIS MEETING**

**Ref. No: PA22/04984** Budock Vean Hotel Budock Vean Lane Mawnan Smith Cornwall TR11 5LG

It was proposed by Cllr Sadler seconded by Cllr Bate &

**RESOLVED** that Mawnan Parish Council are happy to defer to the expertise of the Tree Officer for this application

on a vote being taken the matter was approved unanimously

**Ref. No: PA22/03780** 11 Carlidnack Close Mawnan Smith TR11 5HF

It was proposed by Cllr Moyle seconded by Cllr Bate &

**RESOLVED** that Mawnan Parish Council are happy to support this application

on a vote being taken the matter was approved unanimously

3614.22 **TO RECEIVE A LIST OF PLANNING DECISIONS MADE TO DATE BY CORNWALL COUNCIL** – read out

3615.22 **TO RECEIVE THE INSURANCE QUOTE(S) FOR 2022/23**

The clerk explained that she had only received 1 quote from our current insurer in time for this meeting. This was only up £10 from last year.

It was proposed by Cllr Sadler seconded by Cllr Bate and

**RESOLVED** that Mawnan Parish Council accept the insurance quote for 2022/23 received from Zurich at £746.65

on a vote being taken the matter was approved unanimously

3616.22 **TO RECEIVE ANY COMMUNITY GRANT APPLICATIONS**

Discussion of funding request outside parish grants were discussed first. These were for Coastwatch (Nare Point), Cornwall Air Ambulance & Cornwall Hospice. It was agreed that these were very worthy causes that were used by many in our parish community at some point and that donation should be made to all of them.

It was proposed by Cllr Bate seconded by Cllr Sadler and  
**RESOLVED** that the 3 names organisations be given grants for 2022/23 in the sum of  
£500 each.  
on a vote being taken the matter was approved unanimously

Further considerations were then given to the submission made by community groups for Parish Grants for 22/23. There may be the possibility of a further grant discussion in the New Year, if any funding remained, with extra funding from the Solar Grant Fund being available for any noteworthy project request.

It was proposed by Cllr Moyle, seconded by Cllr Potter and  
**RESOLVED** to donate £300 to Mawnan Snooker Club the toward refurbishment of tables &  
new playing equipment

It was proposed by Cllr Moyle, seconded by Cllr Sadler and  
**RESOLVED** to donate £300 to Abbeyfield Scott House the toward Christmas Lunches; Bingo  
Prizes & outings

It was proposed by Cllr Moyle, seconded by Cllr Morris and  
**RESOLVED** to donate £300 to Mawnan Cricket Club the toward a replacement wicket  
mower

It was proposed by Cllr Sadler, seconded by Cllr Morris and  
**RESOLVED** to donate £400 to Mawnan Village Autumn Show the toward advertising &  
general event administration costs

It was proposed by Cllr Moyle, seconded by Cllr Sadler and  
**RESOLVED** to donate £480 to Helford River Sea Scouts the toward 3 x new tents

It was proposed by Cllr Potter, seconded by Cllr Moyle and  
**RESOLVED** to donate £1000 to Falmouth Surf Lifesaving Club the toward 4 x nipper rescue  
boards

on a vote being taken the above 6 matters were approved unanimously

3617.22 **TO COMPLETE THE ANNUAL GOVERNANCE STATEMENT FOR THE YEAR ENDING 31ST MARCH 2022**

All questions were read and agreed by the council prior to the full document being signed by the Chair.

It was proposed by Cllr Sadler, seconded by Cllr Moyle and  
**RESOLVED** that the chairman sign the annual governance statement

on a vote being taken the matter was approved unanimously

3618.22 **TO RECEIVE AND APPROVE THE ACCOUNTING STATEMENTS FOR THE YEAR ENDING 31ST MARCH 2022**

It was proposed by Cllr Sadler seconded by Cllr Bate and  
**RESOLVED** that the accounting statement as presented show a true balance and  
should be approved

on a vote being taken the matter was approved unanimously

3619.22 **APPROVAL OF THE LIST OF PAYMENTS FOR JUN 2022 & TO RECEIVE MAY 2022 BANK STATEMENTS AND RECONCILIATIONS**

It was proposed by Cllr Sadler, seconded by Cllr Bate &

**RESOLVED** that accounts totalling £12883.42 Inc. VAT (amount includes community grants agreed this evening) be approved for payment & duly signed

It was proposed by Cllr Morris, seconded by Cllr Potter &

**RESOLVED** that the bank reconciliation presented totalling £121,148.89 (of which £35,763.84 is retained Solar Grant Fund) for the month of May 2022 be received & approved as a true record.

on a vote being taken both the matters were approved unanimously

3620.22 **TO AGREED RESPONSES REQUIRED TO ANY CORRESPONDENCES not already made by clerk**  
**Item 2** – Cllr Bate asked why they 40mph limit had been changed to just past the Boskensoe junction and new poles were put in. (Please note: we requested this modification from the original 20mph consultation proposal in the March 2022 minutes– item 3553.22)

**Item 6** – there were discussions about seeing if Trebah Farm would allow a permissive path (fenced across the top of the field) between the end of the National Trust footpath to opposite the Trebah gates (if not further). The clerk had already questioned about the North Helford 40mph zone being changed in light of the 20mph trial but had been told by highways that these were very different things – the 40mph zone had lowered all the rural speed across the area from National Limit of 60mph to 40pmh – any change would probably be detrimental in the long run as 20mph changes could only take effect in residential areas, not everywhere.

**Item 8** – the clerk read in full the response from V Bidgood about getting a temporary construction sign for the top of Durgan to facilitate safer goods deliveries during initial construction works. This led to a discussion about a staging / holding zone and would be discussed with Charlie @ NT during our meeting.

3621.22 **TO RECEIVE INFORMATION AND MAKE DECISIONS ON NOTED ENVIRONMENT ISSUES INCLUDING TRAFFIC, ROADS, FOOTPATHS AND CLIMATE CONSCIOUS MAWNAN.**

Cllr Sadler brought up the fines being garnered at the replacement Longdowns speed camera were going to Cornwall Council and not to the Vision Zero South West road safety partnership.

Cllr Bate offered to be the contact for setting up Speedwatch.

The clerk explained that the CNP Climate Group was likely to be separating from the CNP proper as Esther Richmond (localism team) now had a larger commitment. Cllr Bastin added that it seemed Falmouth Town Council would be taking up administrative arrangements for the timebeing.

3622.22 **REPORTS FROM OTHER GROUPS / INDIVIDUALS**

None noted – WI report on jubilee feedback was included in item 3612.22

3623.22 **REPORT FROM CORNWALL COUNCIL WARD MEMBER**

- Cllr Bastin highlighted a couple of the items already brought up by the clerk – the Microsoft Teams presentation on 30<sup>th</sup> June on a County Deal proposed under the Government levelling Up agenda as well as the Meet the leader even – our nearest being at Helston on 4<sup>th</sup> July.
- Esther Richmond (localism) is now working in the St Agnes CNP as well she wasn't able to keep up with the extra workload that organising the Climate Group presented so it was being taken up by Falmouth Town Council. Esther would remain our CNP liaison. He also quickly reminded everyone present that the CNP meeting is not only for councillors – any member of the wider community is welcome to attend but that the PC would only hold 1 vote (named member).
- Next CNP meeting due for 20<sup>th</sup> September and will be held face to face in Falmouth Council Chambers.

- Money is available for setting up of digital training within communities with up to 80% of costs being covered – the clerk had already sent this round.
- Time to Move – the summer activity programs for school aged children is stepping up. The programme is open to all young people and is FREE for those aged 5 to 16 on benefits related Free School Meals.

3624.22 **DISCUSSION ON A PERMANENT CHANGE OF VENUE FOR PARISH COUNCIL MEETINGS, AS RAISED BY THE PUBLIC AT THE MAY 2022 MEETING.**

The clerk said that costing wise both venues were comparable – the only potential difference was that the MMH had wifi and the Bowling Club did not. Provided councillors remembered to download agenda packs beforehand this should not be an issue going forward. It was agreed that there were better acoustics in the Bowling Club and that it did make for a more inclusive environment.

It was proposed by Cllr Sadler, seconded by Cllr Bate and

**RESOLVED** that the full meetings of the Parish council be moved to the Bowling Club for a trial for a period of 6 months, with all other committee and 'ah-hoc' meeting still taking place at the Memorial hall where possible.

on a vote being taken the matter was approved unanimously

3625.22 **TO RECEIVE INFORMATION ON CURRENT COUNCIL VACANCIES & POSITION OF NOMINEES FOR CO-OPTION**

Another co-option nominee made themselves know at the meeting: Mr Robert Reid, of Church Road. Mr Reid had lived in the village for upwards of 40 years on an off, moving into Falmouth for a short period of time when his children were teens, although they all attended Mawnan Primary School. He had worked for Cornwall Council and in the private sector – most recently is the hospitality sector, as was known by a few councillors in attendance. He felt that he could bring a lot of this experience to the Parish Council.

It was proposed by Cllr Sadler seconded by Cllr Moyle and

**RESOLVED** that Robert Reid is immediately elected to fill a current co-option vacancy

on a vote being taken the matter was approved unanimously

3626.22 **ITEMS FOR INCLUSION AT THE NEXT MEETING** – graveyards; Durgan parking; road salt removal & noticeboard refurbishment

3627.22 **MATTERS OF COMMUNITY CONCERN** - none noted

3628.22 **DATE & TIME OF NEXT MEETING: 21<sup>st</sup> July 2022 @ Mawnan Bowling Club**

Meeting finished at 9.35pm

Signed: \_\_\_\_\_

21<sup>st</sup> July 2022  
(chair)

## Item 3610.22 – Hotel Meudon

**From:**

**Sent:** 15 June 2022 09:59

**To:** Tim Brooksbank <timbrooksbankmspc@gmail.com>

**Cc:**

**Subject:** RE: Hotel Meudon update

Dear Councillor Brooksbank,

As promised, we wanted to share an update with you on the current planning application for Hotel Meudon.

Following submission of the application in November 2021 and subsequent comments received from Cornwall Council, local stakeholders residents and consultees, various amendments have been made to the proposal. The amended proposal is being considered by remaining consultees, and a final decision is pending.

The amendments can be summarised as follows.

- **The adjacent field**
  - o The original planning application incorporated the adjacent field to secure a range of planting and substantial **Biodiversity Net Gains (BNG)**. This had formed the subject of comment from a number of local residents, with concerns raised that it would pave the gateway for further development
  - o This has been discussed with officers and the red line retained around the field, following officer confirmation that the retention of the area within the red line is essential, to secure the above **BNG**
  - o However, changes have also been made to the landscape proposals in order to maximise **BNG**. The design and layout has been amended to better reflect local landscape character, adopting a more natural approach (see view point 9, attached, showing CGI of landscape proposals for field)
- **Biodiversity Net Gain**
  - o The landscape amendments to the adjacent field retain the proposed commitment to **BNG**. This includes assessed **gains of nearly 38% for habitat creation and 60% for hedgerow creation**, against an **emerging policy requirement of only 10%**. The BNG will be secured against this land for a period of at least 30 years (this is a requirement of BNG)
- **Layout amendments**
  - o Several amendments have been made to the layout to reduce any impact on neighbouring residents, trees and landscape visual impact, including:
    - Plot 1 and Plot 4 swapped in order to reduce height and massing of the building visible from neighbouring dwelling Meudon Barns (new Plot 1). Appropriate amenity screening has been provided to the external terrace area of new Plot 1, meaning no inter-visibility with the neighbouring dwelling
    - Plot 2 location changed to remove inter-visibility from Meudon Barns and to re-enforce shelterbelt grouping of trees in this location
    - Plot 6 moved up the slope, as per the tree officer's comment
    - A further amendment has been made to relocate and amend Plot 3 to a glade within the trees. This will result in the retention of a 'shelter belt' of three trees, in line with the tree officer's comments. Attached is the amended masterplan (Rev B)

- **Additional landscape information**
  - o Following a request from the AONB Partnership and the Cornwall Landscape Officer, we have prepared additional landscape information which should be read in conjunction with our submitted LVIA. This presents a number of Zone of Theoretical Visibility (ZTVs) which clarify the visibility of the proposal from key points. These ZTVs are based on a 'worst case scenario' of landform only, and do not factor in vegetation and buildings which would vastly improve screening
  - o The document also presents representations of the proposal from viewpoints, pre and post development and planting mitigation. As these demonstrate, the vast majority of the scheme is not visible from any publicly accessible external viewpoints
  - o Once landscape planting is introduced as part of the scheme, the units will not be widely visible within the wider landscape or from the south west coast path. It may be possible to see Unit 8 (the Bream House replacement) from a small number of locations in winter months, but this should be considered in the context of the existing house (Bream House) which is already highly visible
  
- **Lighting and ecology**
  - o The light scheme has been remodelled to take account of the layout changes and to address initial comments received from the Council's ecologist
  
- **Hotel access and signage**
  - o A visibility plan of the access has been provided and the hotel signs (which had been there many years) have already been set back to improve visibility
  
- **Acoustic assessment**
  - o An acoustic assessment has been prepared to model any potential noise impacts. It has been concluded that any additional the noise generated by the scheme will be acceptable. It also includes provisions for measures to reduce noise relating to hotel plant, which will be secured by planning condition

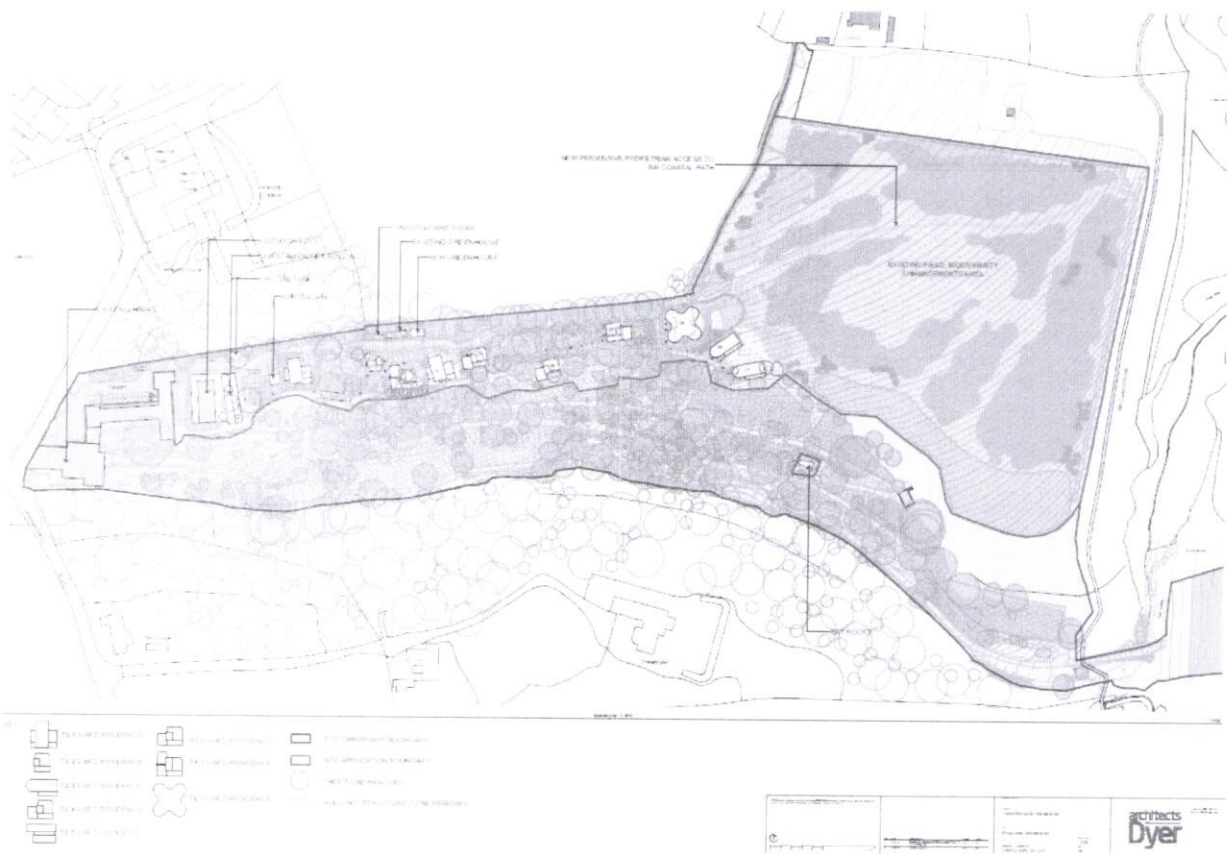

Please do not hesitate to come back to us with any specific questions.

Kind regards,

We take your reputation personally

**Queen's Platinum Jubilee Feedback (C. Toland- lead organiser)**

A big thank you to all on the committee who helped put together a week of events that was suitable for all ages.

Everyone was delighted by the exhibition Sylvia and the history group put together in the Methodist School room with the help of Pippa and Tim. People said it should be a permanent fixture in the village.

The WI put on an outstanding 15 flora display in the churches, hopefully this will be seen again at the village Show! The Parade of Crowns saw a great turn out of those participating and those showing their support as the parade moved through the village, well done to our fantastic traffic marshals.. They may have had rain for the Jubilee jaunt around the gardens, however this did not dampen people's enthusiasm for going and visiting the lovely garden on display.

The quiz night was a complete sell out and great fun for all who attended, we were asked for more quizzes to be put on.

Wednesday saw a football and cricket match with cricket team triumphant. This match was enjoyed by all those who attended along with the burgers and the rogue sauce bottles which had a mind of their own when putting sauce on their burger.

Friday night was film night which was thoroughly enjoyed by the children and their families. The adult film was not quite so successful with only a few going to watch.

Saturday saw the children's disco with the great groover Evie on the decks, bubbles, balloons and the magician the children loved it and wanted more. Shameless followed after this and the night was well and truly danced away for a great success for the MCA.

The Queen's Platinum Jubilee lunch saw us all crossing our fingers praying for no rain. Sunday morning dawn with cloudy skies but dry. Everyone really enjoyed themselves eating their fill off Hog Roast! Unfortunately some arrived a bit late and missed it. Beautiful salads and cakes from the WI, Vegan Biryani and bowls of Strawberries'. all of which were eaten. The children and adults enjoyed various activities from the Scouts , Anvil Trust, plus circus skills, whilst listening and dancing to Jonah's Lift.

Everyone said what a great week of events and how much they enjoyed being part of the Mawnan community and could we please do this as a yearly event.

A few comments were made about parking at the playing field and if we were to consider doing this again we would need to have some signage to clearly point cars in the right direction for parking and putting cones on the road to keep it free flowing. Thank you to all those who volunteered for car parking duty.

Overall families felt safe and everyone had a very enjoyable week.

Charlie was notice doing his filming and many people thought this an excellent way of getting a keep's sake of a very enjoyable week. Therefore they would like to be informed as to when the video is available to see and to purchase a copy.

The committee cannot give enough thanks to the volunteers who gave up their time to help out at various time during the week, it takes a whole community to put on such an event. Those on the committee would like to thank the Parish Council for funding the Platinum Jubilee week, which would not have taken place on such a large scale without their support.

**WI Feedback:**

We were delighted with the way in which the village celebrated the Platinum Jubilee. The programme, banner and poster design was superb and so professional. It was good that residents had the programme delivered and it was lovely to see that individuals joined in with hanging bunting and flags. It was great that here was something everyday and that many groups were catered for.

Sylvia was delighted by the number of visitors to the exhibition and was very grateful for the support received in mounting the display and supervising throughout the day.

We had 15 flower arrangements made for Churches in Bloom - perhaps a little disappointing that this was not supported by more residents.

The Parade of Crowns was hugely successful. A team of WI ladies helped the children at the school to make their crowns the week before and the event was well-publicised by the head so we were very pleased that so many children and families took part - it was a truly cross-generational event. The Memorial Hall looked lovely for the tea at the end of the parade and the children were presented with goody bags courtesy of Toad Hall Cottages. Now some of the crowns are on display in three of the village shops. About 200 were involved in this event. We had registered it with Cornwall Council and followed advice that a road closure was not required. We had six marshalls who held back traffic. A passing police car noted that it was well-managed!

Unfortunately the weather on Saturday was atrocious, but we sold nearly 200 tickets for the Jubilee Garden Jaunt and in total we have raised more than £2000 for Children's Hospice South West. Many of the visitors to the gardens were local returnees, but some were on holiday and were pleased to be able to join in our Jubilee celebration.

The Sunday event exceeded our expectations and there was a festive feel from the outset - the marquee certainly made you feel that something different was happening! Jonah's Lift created a lively atmosphere and it was lovely to see different groups represented. The hog-roast was delicious and we sold all our salads catering for 150 as we had agreed. I think that those who criticise should be mindful of what David has said: we had no idea of how many people to expect AND we couldn't do everything. There was a great opportunity for other groups to do teas and coffees or puddings, but they didn't come forward! We were pleased that we didn't have anything left over at the end.

Final thought: people who live in the village talk about liking the sense of community in Mawnan. We have few events which bring all generations together in significant numbers - the panto and Run Mawnan come to mind. The carnival has ceased. Perhaps the PC could give consideration to ways in which the community can come together.

We would like to thank the Parish Council for the support which was given to the funding of the Jubilee celebrations.

Gill  
President Mawnan WI
