The clerk said she is happy to monitor toilets and JPF but can members of the burial committee check the grounds once a month on a rolling basis to make sure the contract is being fulfilled properly. Burial Committee members agreed to this. Also to be checked are footpaths and village open spaces (minus the JPF) There was also a notice about how Solar Grant funds are managed. The clerk noted that the farm now belongs to another entity. Clerk still needs to research how funds can be spent and what on. Clerk had also noted that the previous clerk had said election expenses were to be in the region of £2000 but the elections in 2025 had cost nothing apart from clerk time doing the required actions- notices up etc. ACTION: Check solar farm funding came in for 23/24 and 24/25. Clerk to do laminated cleaning log board to fill in in toilet (3 x times a week). Clerk to send copy of contracts to each relevant committee group so they have a reference of what needs to be done.

Clerk said she is likely to cancel the HMRC DD as they are paid manually on a monthly basis when she does the salary. 2. EDF- the DD is going up to £60 per month. This is due to the standing charge going from 25p a day to £1.36 a day. Electricity usage is around £5.44 a month and the standing charge is around £37. Clerk responded she wasn't sure Scribe does that. 2. Currently under budget by about £10k but we are only a quarter of the way into the year so its means we have contingency money. There are also items in the budget we haven't used- i.e interest allowance on works board loan had we had a successful CLUP application. 3. Clerk said current monthly spend was on average £8000 which means £96k per year but this doesn't include one off items such as legal advice, consultations etc. 4. The consultation for the JPF with Sports Play Consulting has currently come out of PC funds rather than the solar grant. 5. Currently have £8k for professional fees which was regarding to lease for the JPF but didn't need it in the end so that can go towards legal advice for the CPFT and JPFT. Clerk explained she had done this at the beginning of the year but will now assign £10k to the new JPF EMR. 4. Climate Group EMR can be dissolved and money put into the new JPF fund 5.
